Ashley Gittens, June 27th, section 1

From Last week:
- [x] Learned and Installed Github
- [x] Met with group to write project documentation
- [x] Continuing thinking about a video game idea
    - [x] Started the 'Dog Dodge' game formation
- [x] Skyped with the group to review for the presentation
- [x] Presented project in class on Thursday

Added Mid-Week:
- [x] Brainstormed on different ideas for game that would be related to Dream Dog
    - [x] Came up with either simulation or park game

From This week:
- [ ] Changed video game idea to simulation
    - [ ] based on characteristics of Dream Dog from user
- [ ] Do some more research on algorithm
